Dear Ms. Mosher-Kuczer,

Tamara,

Re: Study of Bill S-235, An Act to amend the Citizenship Act and the Immigration and Refugee Protection Act

Thank you very much for your testimony on Bill S-235, An Act to Amend the Citizenship Act and the Immigration and Refugee Protection Act, at the Standing Senate Committee on Social Affairs, Science, and Technology yesterday.

Your testimony was very informative and insightful. You spoke exceptionally well while sharing your professional experiences and perspectives on this issue.

I am most appreciative of your time and commitment to the bill. You have made a valuable contribution to the committee's study and to the advancement of the rights and interests of children and youth who are in government care and who do not have the security of citizenship.

I hope that you will continue to stay in touch and share your views and suggestions on this and other matters of importance to you. I look forward to working with you to improve the bill and make it more effective and responsive to the needs of the individuals it seeks to help.

Thank you once again for your support.

Sincerely,

Mobina
